

Stemware and Glass Sizing Reference Guide

To Determine Compartment Size

- **Half Size Racks:** Place glass or stemware upside down over circle chart. Look down on the glass. Whatever circle the largest diameter of the glass fits within will determine the number of compartments.
- **Full Size Racks:** Place glass or stemware upside down over circle chart. Look down on the glass. Whatever circle the largest diameter of the glass fits within will determine the number of compartments.

Use the vertical guide marks at right to determine item height and appropriate rack number.
