

Cambro® Tumblers

Cambro tumblers feature the look and feel of glass, but offer the cost savings and lightweight handling of break resistant plastic. These tumblers weigh up to 50% less than glass, making it easier and safer for wait staff to carry and serve

beverages. Cambro tumblers cost about 33% less than comparable glassware. Less breakage means lower replacement costs and less staff time spent cleaning up broken glass. Cambro tumblers feature stacking lugs for easy stacking,

transport and storage and are dishwasher safe. Expand your service options! Valued by restaurants, hospitals, hotels and schools, Cambro tumblers are ideal anywhere you want the upscale look of glass without the worry of breakage. Our

elegant designs are ideal for outdoor catering and resort use. Whatever your need, there is a Cambro tumbler perfect for your operation.
