

# CIRCLE PLAY CENTER

## DESCRIPTION

The **Circle Play Center** combines 5 great toys in one adorable, compact center: Magnetic Circle Express, Pathfinder, Roller-coaster, Gears, and Wooden Blocks! Kids love playing with all of the fun activities on this toy, using their imagination to move the beads on the wires, sorting and matching the blocks, moving around both the colorful gears and the beads through the pathfinder maze, and using a magnetic wand to magically move the balls through the circular maze. This play table not only keeps kids entertained for hours, but promotes play-based learning, enhancing and challenging fine motor skills, shape and color recognition, eye-hand coordination and creative problem-solving skills. Playtime has never been more fun and engaging! This table is great for the home, play rooms, classrooms, and waiting rooms!
