

CITY TRANSPORTATION TABLE

DESCRIPTION

The excitement of city travel is brought alive in the **City Transportation Table!** Kids have so much fun using their imagination to move the cars around the tabletop, while trying to avoid any collisions. The table features 12 separate wooden pieces that kids can move around the tracks, keeping them busy for hours. Also several children can play together, encouraging group play and interaction. It also promotes hand-eye coordination and hones fine motor skills. And don't worry about loose pieces, the whole toy is self-contained, making it great for play rooms, homes, schools, offices, and waiting rooms.
