**DIPO Induction USA**

**DIHG900-A Induction Griddle**

Model	DIHG900-A
Power	Max 7000 W (3500 W in each zone)
Temperature Range	120 <sup>0</sup> F – 400 <sup>0</sup> F
Voltage	208/240 Volt 1ph 50/60 Hz
Connection	Wired, 50A Supply
Package/Actual Weight	180/155 lbs.
Package/Actual Dimensions	42" X 30" X 18" / 36" X 24" X 11"
Warranty	1 Year

**Features**

- Simple clean design
- Easy to operate
- Fast recovery time
- 2 independent zone controls
- LED displays
- Displays temperature set points and actual temperatures
- Displays diagnostic/error codes
- Front grease drawer
- 2 removable/cleanable air filters
- Automatic over-temp shut off
- No wasted heat or combustion exhaust
- Energy efficiency of about 90%

As we continue to improve our products, Specifications are subject to change without notice
