

# MAGNETIC SAND BUG LIFE TABLE

## DESCRIPTION

Kids are fascinated with the magic of magnets and love moving around the bugs and critters in the **Magnetic Sand Bug Life Table!** Children are endlessly entertained as they control the movements of these realistic looking ladybugs, spiders, flies, bees, scorpions and ants with the magnets attached to the bottom of the table. A true magnetic learning experience that also promotes hand-eye coordination, visual tracking, and logical thinking skills. It combines play-based learning, fun, and nature - without those pesky bug bites! This table is great for waiting rooms, doctor's offices, classrooms and even the home.
