Run-a-Weigh portable floor scale

**Cardinal Scale's USA-Made Run-a-Weigh Portable Floor Scale** rolls to any part of a facility and is instantly ready for accurate weighing. The Run-a-Weigh weighs in at less than 100 pounds and features built-in handles and wheels, so it's easy to lift and roll wherever you need it. Whether it's weighing multiple locations at a single facility or the need to take the scale to a special job site, the Run-a-Weigh gives you true portability. The USA-made Cardinal weight indicator can be set on the floor for mobile use or mounted on a wall or desk for convenient viewing.

**Integral Wheels** allow you to easily lift and roll the scale to your next location.

**Carrying Handles** help efficiently guide the mobile scale during transport.

*RW-1000S shown here*

**Quick Connect Cable** for the RW-1000S allows the indicator to be quickly unplugged.

**Stainless Steel Load Cells** feature self-aligning swivel feet.
