

SCHOOL HOUSE WALL PANEL

DESCRIPTION

The **School House Wall Panel** is a fun, educational, and decorative activity panel. The colorful graphics reminiscent of a little red schoolhouse attracts children of all ages and the different activities will keep them entertained for hours! Kids will learn counting and color recognition with the Counting Abacus bead learning game, which includes 10 beads on each row. The colorful spinning gears introduce little ones to the principles of mechanics and physics of motion through fun play. And in the center, The Learn the Alphabet toy, made of individually embossed wooden blocks, teaches kids their ABC's along with corresponding words that match the letters (ex: A=apple). No loose pieces. Perfect for daycares, preschools, waiting rooms, homes and any child friendly environment!
